VOLUME IX ISSUE NO. 6

NOVEMBER - DECEMBER 1974

THE OFFICIAL PUBLICATION OF  
THE PAPER MONEY COLLECTORS OF MICHIGAN

## *President's Message*

The Fall meeting of the Paper Money Collectors of Michigan is now history. The meeting was held in Detroit, Michigan during the Fall Convention of the Michigan State Numismatic Society. There were many of our members in attendance. At our Board Meeting it was decided that all members' dues would be \$5.00 per year and that our "Rag Picker" would be mailed out to all members by First Class Mail.

The membership approved a governing board of eight members plus the officers. At least four of the eight members must reside in the State of Michigan and the other four may come from anywhere in the world. This might seem a bit optimistic to some, but we do have many members in foreign countries. The four members from Michigan are required to attend all meetings thus assuring us a quorum at each session.

The four members elected from Michigan are: Ken Black, Max Brail, Ralph Hinkle and Joseph J. Newman. The four from out of State were: Nathan Goldstein, Edward F. Zegers, Michael A. Crabb Jr and Frank Bennett. Ralph Werve and W. C. Anspach were elected Vice Presidents and Harriet Werve was re-elected Secretary-Treasurer. P.H. (Jim) Frans was re-elected President.

One rather disappointing fact however, was the size of the vote. Only 262 of our members mailed in their ballots. One would really expect that the tremendous interest in paper money and the rapid growth in that faction of our hobby more members

President's Message (Contd. from Front Page):

We are constantly trying to improve our "Rag Picker" and if you have any suggestions or criticisms, please mail them in to me or to our Editor. We are trying to please YOU! We would also be pleased to receive any articles or news items from YOU. We would like to have you advertise in the "Rag Picker" too. Your paid ads will help to keep our paper self-supporting. The Secretary-Treasurer's report was read and approved and I am pleased to report that we are solvent and growing.

On behalf of our staff and myself I wish you a Merry Christmas and a Happy and prosperous New Year!

Also, a special thanks to the dedicated members, who contribute news items of interest to our membership. We appeal to all members to submit articles for publication in the Rag Picker. News regarding local coin club functions are also of interest to members. Membership applications will be mailed with the January-February Rag Picker. Get a new member in '75 and help keep our Club alive.

HERE IS OUR ONLY WISH FOR 1975-1976

May the Powers that be shine a guiding and directive light on the B.E.P. and favor Rag Pickers with a \$2.00 note for the Bicentennial Year. Also, let it be an appropriate and interesting design. They claim the issuance of \$2.00 notes would cut the cost of printing \$1.00 notes by a substantial amount. O.K. let's do it now. We still hear that old plaintive cry, that \$2.00 notes would confuse the people. So does inflation, but we manage to live with it. Now is the time for all good tax payers to come to the aid of their party and write to their congressman regarding this pertinent manner.

+++++

1975 DUES NOTICE

A do-it-yourself form of dues notice was mailed with the September-October Rag Picker. We are happy to state the response to the early dues payers was gratifying. Paid membership cards for 1975 will be mailed with the January-February Rag Picker to members paying dues by January 31, 1975. It is also important THAT the dues notice be returned with payment, as we post our record cards from these forms. Be sure to check contents of the January-February mailing envelope for the 1975 MEMBERSHIP CARD, before disposing of the envelope.

A SPECIAL INVITATION FROM THE PRESIDENT

Mr. William E. Benson, PMCM #228, President of the INTERNATIONAL BANK NOTE SOCIETY invites all members of the PMCM to join them in a tour of England and Scotland in 1975.

IBNS and Numismatics International are the sponsors for this tour. Mr. Benson feels that many of our members would be interested, altho they are not members of the above sponsoring societies. He also states it is very premature to state precisely the date or the cost of the tour. It looks as though it will be the first week in June, although a charter possibility is showing up that would make it June 9th. If the charter works out, there would be departures from Dallas and the East Coast. Last year NI sponsored a tour of the Soviet Union.

The tour to England and Scotland will include meeting with coin and paper money groups in various cities and conducted tours through portions of museums not normally open.

FEDERAL RESERVE NOTE EXCHANGE

Chairman: I. L. Gittleman PMCM 165  
 P.O. Box 164, Monroe, Michigan 48161

Have just returned from our Fall Meeting held in conjunction with the Michigan State Fall Show, was very nice meeting some old friends I have written to over the years, but had never met. One wonders through trading and correspondence with other members just what each other would be like in person, the meeting of members I have known from this Exchange List were most gratifying, this alone was worth the effort to attend the meeting. The afternoon was most enjoyable, sorry more of you could not attend.

With this list we add three more members to our ranks, one in District A, D. and H., check your list for names and addresses. Please try and keep in mind my dead-line for all copy for this list is the 15th. of each ODD MONTH. This will fall about the time you received your Rag Picker. This keeps me about two months ahead of membership, with 6 issues a year, our Editor must have copy in his hands by then. This makes it hard for those that request changes on this list. We realize this can be a problem to some, but time is our biggest problem, please bare this in mind. If I don't honor your request in following issues, my dead-line has come and gone, when I hear from you, enough said.

A few of our members have had some problems with Mr. Worley Yost, Box 418, Hazzard, Ky. 41701. I have written to Mr. Yost with no reply, have heard from one other member that he has been ill and would make all trades good, sure he will, but if he would write me or if any one has any knowledge of him, please drop me a line.

Listing on this Exchange is open to any member, dues must be paid, just send me a note asking for an application, I now have a good supply. The courteous thing to do when seeking advice or trade is to always include a stamped, self-addressed envelope. Send all information for this list to Chairman, listed above, NOT TO THE EDITOR. The following members of PMCM will trade current FRN's at face plus a stamped self-addressed envelope.

# CANADIAN PAPER MONEY

By Don Olmstead #1652

CURRENTLY IN CURRENCY... the rumors about possible recall of the new multi-color \$1 notes have subsided; we'll have to live with their similarity to the color and design of the \$20 notes. The new 1975 Charlton Catalogue, the standard Canadian Paper Money Reference, contains ANOTHER new numbering system for Canadian notes, the third in as many years. Values are up, of course, and dramatically in some cases, while decreases are noted in some of the 1923 Dominion \$1 notes. This does not appear to be consistent with auction prices and prices requested by dealers, but the catalogue was written months ago, we should remember. The new layout is a vast improvement and there is more information about the notes themselves- at long last! The new multi-color \$2 note is scheduled for release in early 1975 according to the Bank of Canada, leaving the new multi-color \$50 and \$100 notes to come later in 1975.

LOOKING BACK... at the very popular 1967 Centennial issue of \$1 notes we'll review the details of this issue, which really involves THREE types of notes and a few irregularities if you want to get into the particulars of the serial number structures, etc. The three types are: First. The \$1 note with the inscription "1867-1967" where the serial number is usually found. These are the most well known and the most common. Many Canadians have one or more bundles of these notes put away in Centennial year. They usually sell for under \$2.00 in crisp uncirculated condition. Second. The Centennial \$1 note with a regular serial number. All of these are of either the -/0 prefix or the -/P prefix. Those with the -/0 prefix were printed by the Canadian Bank Note Co. and those with the -/P prefix were printed by the British-American Bank Note Co. The serial number structures are different as well, but the prefix is the easiest way to be sure. It is not known why the banknote company imprint was left off the Centennial design, perhaps for the same reason the imprint is not found on the new multi-color issues, because there is no good reason for putting it on. Third. There are the Centennial notes with the regular serial number and ASTERISK. These asterisk or "Star" replacement notes are becoming quite scarce. The Centennial \$1 note with the regular serial number now sells in the \$3- \$5 range, but with the asterisk the price goes up to about \$10.00 for a CU specimen. Asterisks are found with only four different prefixes: \*B/M, \*F/P, \*L/0 and \*N/0. The \*L/0 and \*F/P prefixes are very hard to find and cherished by prefix collectors. Unofficial estimates are that there were about 550,000 Centennial asterisks of the \*B/M prefix but only about 9,000 of the \*L/0 prefix. Now you see why the \*L/0's are very scarce!

The Centennial notes were the second commemorative issue of paper money in Canada, the first being the \$25.00 notes of 1935, which commemorate the 25th Anniversary of the accession to the throne by King George Vth. The front of the Centennial note was a departure from the standard 1954 issue design in that it contained the "Centennial of Canadian Confederation message in French and English and also carried the Centennial symbol. The back of the note was a totally new scene featuring

CANADIAN PAPER MONEY (CONTD.)

the original Parliament buildings in Ottawa. The Centennial issue is a challenging collection by itself for if you add up the prefixes with the regular serial numbers (15), plus the four asterisk prefixes plus the special serial number "1867-1967" you have a total of TWENTY different notes some of which are very difficult to find, but not impossible. You could then look into the structure of the serial numbers, which varies with the banknote company and you are into a real numismatic study!

If you have any questions about Canadian paper money I'll be pleased to answer them, if I can, just write to: Don Olmstead, P.O. Box 313, Halifax, N.S., Canada.

NEWS FROM THE NATION'S CAPITOL

By Ed. Zegers PMCM #1116

Hello Fellow Rag Pickers. Well, here it is .... Through a tip from a fellow member of this Club, I am once again able to report that I have been able to get the B.E.P. to hunt through its records and have them correct them. You may recall the information which I supplied to the Rag Picker about the \$5.00 notes and their serial ranges as supplied by the B.E.P. (Pagees 112 thru 117 of the July-August 1973 issue). In the January-February issue of The Rag Picker on Pages 8 and 9, I wrote an article on the discovery and correction of the five dollar lists for the 1969B series and the 1969A series. Well, here we go again, through the inquiry of Bob Jackson, PMCM #1605, we have located another NONE PRINTED \$5.00 note for the 1969A series. The B.E.P. called me today, 29 October 1974 and confirmed the existance of these notes and informed me of the official serial number ranges as follows: 1969A \$5.00 100 640 001\* thru I 01 280 000\* ... 640,000 notes. Again, this could only happen by the help and ques-tions of the members of the PMCM. You \$5.00 collectors now have a star note for each District of the 1969A series to hunt and trade for and for the 1969B series, only the 1, 3, 4, 8, 9 and 11 Districts do not officially have star notes printed. Could we have another sleep-er in this group too?

I would like to take time out here and now to make my small donation to the "Win" Campaign. It is with great pleasure and deep apprecia-tion that I wish all my trademates and readers the happiest and merriest of SEASONS GREETINGS and a HAPPY NEW YEAR TO ALL. I will not be sending out individual cards to all of you as I would like to do, but will whip inflation now by saving paper, stamps, fuel and time by extending this greeting in the Rag Picker.

CU,

Ed. Zegers PMCM #1116

MY 1974 ANA CONVENTION - MIAMI

By Michael A. Crabb Jr. #904

SUNDAY, AUGUST 11TH.

I picked up Bill Reulbach at the Memphis Airport at 1:00 p.m. and we returned to my house. That was the first time we had seen each other since the Boston convention. Naturally paper money was the No. 1 topic. Bill did get to say, 'Hi", to my wife, Julia on the way into the house. Bill and I spent the afternoon talking paper, Stamps were discussed too.

About 6:00 p.m. Nathan Goldstein arrived from Greenville, Miss. He had driven up with a dealer friend, Harold Doyle. After supper we talked for awhile and rested.

MONDAY, AUGUST 12TH.

At 1:00 a.m. with about one hour of sleep, we were awake and dressed. We caught the 2:45 a.m. plane from Memphis to Miami. With stops in Birmingham and Atlanta, we arrived in Miami Beach at the Americana Hotel at 8:00 a.m., checked in, freshened up and went downstairs to await the opening of the Bourse area for PNG Day. At 10:00 a.m. a flood of people swept into the Bourse Room, Julia and I included. We found Dave Hakes at Bill Donlon's table. Julia and Vonetta Hakes got together to do some shopping elsewhere (neither are collectors).

I started checking paper money dealers' tables. Since I was working on a project (to list all 1915-1918 \$5, \$10 and \$20 FRBN by serial number, grade and Friedberg number, which are held by dealers and collectors), I recorded FRBN as I shopped. Lee Worthley walked up and we talked awhile. I saw Tom Bain and Johnny Rowe and looked and bought a few notes there. They had some of Mr. Philpott's collection for sale. Sheldon Moses didn't have a table for PNG Day, but he stood by an empty table, telling every one that he would be right there when the ANA show opened. Bernie Schaaf was running around trying to find a star he hadn't seen before. Paul Vollrath came over and it was good to see him again. John and Opal Morris were there, of course. John gave me a tip on how to obtain a list of outstanding paper money from the Treasury Department. The day was a full one and at 5:00 p.m. the Bourse closed.

Nathan, Julia and I had been invited by the PNG to attend their reception and banquet at 6:30 p.m. Wow! What a spread! We sat with Jess Peterses and the Tom McAfees, good company. Cocktails, a wonderful supper and then Nathan was presented a beautiful plaque (must weigh 20 pounds), which read "Louis M. Reagan Memorial Foundation Inc. presents The Robert Friedberg Award to Nathan Goldstein II for his Numismatic Contribution, "Paper Money Periscope" presented at the PNG Banquet 8-12-74". Nathan was honored to receive the award and it was very much deserved. Afterward Bill Doovas treated us in the bar. Then we went to bed. It had been a long day.

TUESDAY, AUGUST 13th.

We were up for breakfast and to wait with the usual opening day ceremony mob at the Bourse room entrance. After the ribbon cutting and photographs were over, we flowed past the security guards and into the Bourse area. The old idea that you always find the best things early in the show didn't apply this time. I found some goodie every day of the convention. I bought a terrific COPE error from Sheldon Moses with inverted 3rd. printing (CU).

MY 1974 ANA CONVENTION (Contd.)

Harry Jones had a big pile of errors, as usual. Of note was a CU \$1 FRN, which had been cut off register. The sheet had been shifted up or down  $\frac{1}{2}$  note for cutting. The note was made up of the bottom half of one note and the top half of another. It was one of the wildest looking errors I've ever seen. (Makes me wonder if full sheets are coming out again). Bob Condo didn't have a table this year, but he came to buy and socialize. Frank Nowak was doing the same. The crowd in front of Tom Bain and Amon Carter's table made it impossible to look, so I had to go back later. I stopped at Art Leister's table and Vernon Oswald's table. They both had very choice material, as usual. To give an idea of how it would pay to shop around: I saw a \$1 FRN, which had been folded almost double before overprinting. The entire right serial number and green Treasury seal were on the left reverse and it was modestly priced at \$1300.00! Then on the very next aisle I saw an almost identical note from another District priced at \$275.00. I talked to Phil Lampkin for a time. He hadn't sent out a list of paper money for several months. He said that he had been so tied up with gold and silver in the past year that paper money had taken a back seat. However, he had a batch of nice paper with him. I bought a 1928B \$10 light green seal H\* and a 1934C \$10 H\* (both CU) from Phil.

The Exhibits were on the floor below the Bourse as was the security room. I looked at all of the exhibits, particularly the paper money ones. I didn't get as much enjoyment from the paper money exhibits this time as I had at past years' shows. The BEP exhibit was there, of course, and was outstanding again. All of the BEP employees were very cordial and helpful with anyone's questions. I bought 5 of the 1974 ANA souvenir cards, which depict the unissued \$10 1896 silver certificate of the Educational Notes. The vignette is beautiful and is a nice addition to the other three Educational Souvenir Cards. (I talked with Jim Conlon September 3rd. and suggested a design for his 1975 ANA card - the 1862 \$3 Legal Tender, which was not issued. He is open for your suggestions regarding the 1975 card).

For supper a bunch of Rag Pickers hopped in Reulbach's rent-a-car and beat the Hotel's roof top prices at a delicatessen down the beach. The prices at the hotel were the worst of any ANA convention hotel in my five years of attending, coffee 50¢, beer \$1.20, hamburger \$2.50, chopped sirloin \$6.95. Poor service was standard. Waitresses were hateful. P. B. Trotter got a jug of syrup spilled in his lap. We ate out often.

WEDNESDAY, AUGUST 14TH.

I was in the Bourse again, when it opened. I gave Harry Forman a get well card. He looked terrific, even after his fall while unloading a plane. If I ever break my back, I hope I recover as fast. Harry, as always, had a case full of nice errors.

I met Charles Link and we got together for a little trading up in the SPMC Hospitality Room. There was always a group in that room talking paper money.

I was on and off the Bourse floor all day.

About 9:00 p.m. we went out to an Italian Restaurant for a fine meal. Food always seemed to taste great at the ANA Convention. Maybe that's because I never ate lunch.

MY 1974 ANA CONVENTION - MIAMI (Contd.)

THURSDAY, AUGUST 15TH.

Since Julia had bought me a swim suit and we were in Miami Beach, we went swimming in the morning for about an hour. The hotel pool was very nice, but the humidity in Miami Beach in August was high.

Back on the Bourse floor I met Hirsh Schwartz and we went off the floor to talk about block collecting and to trade. I also saw Harry Schultz and Clarence Taylor at different times. We talked and traded.

Nathan came up with a late letter from Ralph Werve. Ralph wasn't coming and we had to set up a meeting for the PMCM. Since it was rather late in the afternoon, 4:30 p.m., we arranged with the ANA to have a meeting at 10:00 a.m., August 16th.

Goldstein, Schaaf, Julia and I ate supper at Schraaf's in the Mall across the street. The service was excellent and the food was better. Several of the conventioners had discovered Schraaf's and there was a good crowd.

Later, Schaaf, Condo, Nowak, Hakes and I were among those in a poker game.

FRIDAY, AUGUST 16TH.

Julia and I sat with Paul Vollrath and his charming wife, John and Opal Morris, R. S. Yeoman and wife and Oscar Dodson at the Club Representatives' Breakfast.

The PMCM meeting was held at 10:00 a.m. and suffered from poor attendance due to short notice. The meeting was a good one in spite of the small number of members. The discussions were excellent and for a full report read the minutes of the meeting.

Roy Pennell was moderator at the SPMC luncheon at noon. Tom Bain conducted the raffle to supplement cost of the luncheon tickets. Then, Glenn Smedley spoke at length about how he began collecting paper money and about his interests. Gene Hessler was presented an award for his outstanding new book, THE COMPREHENSIVE CATALOG OF U.S. PAPER MONEY. I was disappointed that Jim Conlon couldn't make the luncheon. I understand he did come to the ANA Banquet Saturday night. Chuck O'Donnell was also missed, as were Homer Brooks, Tommy Wills, Richard Alexander, Harry Coleman and Marty Vink. Those hardly ever miss an ANA. Maybe we'll see them in L.A.

In the afternoon I was sitting in the lobby talking to Walter Breen, when Don Kagin came over to tell me that a man had dropped a note off at his Bourse table for me. In the last Kagin sale I had bid unsuccessfully on a lot of 19 notes, of which there were 7 - \$5 Stars. My bid was bettered by a floor bidder. I wanted one of the star notes and had written the Kagins to ask that they send my name to the successful bidder to see if I could buy one from him. The Kagins did contact the man. When he came to the convention, he left the note for me - free! That was the nicest thing that happened to me at the convention. I didn't know his name, but I wrote my thanks on a card and gave it to Don to pass on to him. Later, when I got home, I sent Don a note of the same series to pass on to my benefactor.

We had supper with P. B. and Charlene Trotter. Then we sat with them for about fifteen minutes in the fourth auction session. It was my first and last session. The auction this year was not the place for Rag Pickers, because there was so few lots of paper money.

MY 1974 ANA CONVENTION - MIAMI (Contd.)

I met with Walter Breen at Midnight, after he came out of the National Literary Guild Reception. We sat in the lobby until 2:30 a.m. checking and comparing serial numbers of 1915-1918 FRBN. One thing of importance was determined. There are 35 - \$50 FRBN outstanding and observed, instead of the 33 that the Treasury lists outstanding. Walter was still comparing notes with Dean Oakes and John Hickman when I went to bed.

SATURDAY, AUGUST 17TH.

The morning of the day we were to return home I once again went around the floor to check on anything I'd left unpurchased, while shopping the first four days and to say my goodbyes.

Reulbach drove us to the airport about 3:00 p.m.

I've probably missed somebody, but I spoke to or saw the following Rag Pickers at the convention: Reulbach, Schaaf, Goldstein, Oakes, Hickman, Schultz, Schwartz, Fletes, Condo, Hakes, Bain, Carter, Nowak, Oswald, L. S. Werner, P. Kagine, D. Kagine, A. Kagine, Donlon, Leister, Jones, Forgue, Anton, Sara, Vollrath, Stoneman, Link, Hessler, Follett, Mileham, Kubes, Lampkin, Moses, Morris, Worthley, Mincho, Breen, Medlar, Trotter, Gershenson, Forman, Katen, Merkin, Sureck, Wass, Flynn, Parker, Warns, Hatie, Smedley, Pennell, Brown, Daniel, Gould, Newman, Wait, Doovas, Davison and Taylor.

The show was a grand success with another record attendance. We were glad to get home so we could get some rest. I'm looking forward to next year's convention. See you there.

I want to thank the following people for their help with my quest for serial numbers of FRBN: Tom Bain, J. T. Wright, Bill Anspach, Amon Carter, Dean Oakes, Walter Breen, Bill Anton, Mike Follett, Phil Lampkin, Joe Mileham, Dennis Forgue, L. S. Werner and Allen Mincho. The list has grown and to date I have serial numbers of 275 - \$5, 85 - \$10, 61 - \$20s and 35 - \$50's. I will publish the list when I get enough serial numbers to make the list interesting and more informative.

THE CURRENCY CLUB OF CHESTER COUNTY

November 21st., 1974 - 8:00 p.m.

The meeting was called to order by the Club's new president for 1975, Walter C. Burkey. There were 20 members in attendance and 3 guests.

The Secretary read the minutes of the meeting of October and they were unanimously accepted.

The Treasurer's report was next forthcoming and was accepted.

We welcomed Carol Beecher, Paul Hoffman and Lois Thomas as guests for the evening.

Under old business, Dr. Aspen said he had written (regarding the correspondence) the only delinquent member and suggested that since he had not answered the communication that the By-Laws be invoked and that he be dropped from membership.

Mitch Hrynsen reported that the medals for the past presidents had been received and due to the rising costs, he and the president (the present) had taken the prerogative of changing the metal from silver to bronze. Donald Lutz agreed to have them engraved for the past presidents and the Club.

The President appointed the following Committees: Number 1, Membership Committee - everyone. Number 2, Entertainment Committee, Wayne Thomas. Refreshment Committee, Joyce Ann Aspen. Auction Committee, Tom Werner and Chuck O'Donnell. Exhibit and Program Committee, Mitch Hrynsen, Chairman - members Ed Koernig, Joe Lynch and Ray Jones. Audit Committee, Don Lutz. Nominating Committee, N. P. Aspen, R. Jones and Paul McCombs. All Committee Chairman were requested to recruit additional members as their committees demanded.

Dr. Aspen reported that his letters to appropriate Congressmen and the Treasurer have all been answered and some assurance was given regarding the proper disposition of the gold certificates. He urged all members to write their appropriate Congressmen and urge appropriate disposition rather than destruction. Members are referred to The Bank Note Reporter for September regarding Chuck O'Donnell's write up on this subject, (Volume 1, Number 21).

Chuck O'Donnell made a report of a recent annual meeting of the PMCM, which both he and N. P. Aspen attended. A short discussion of exceedingly large and interesting collection of Michigan National Bank Notes followed.

Under new business, Ray Jones reported a recent letter to the Delaware Bicentennial Commission advising them of the Club's exhibition plans and requesting their cooperation in display areas. It is suggested that all members (especially the Pennsylvania and Jersey Committees) do the same. This naturally led into the discussion of the Bicentennial Exhibits and members were reminded that this will be the theme of the January meeting.

Dr. Aspen and Chuck O'Donnell brought up the suggestion of the April meeting being held in Washington, D.C. at the Smithsonian Institute with appropriate guests including a luncheon and speaker followed by a trip through the Bureau of Engraving and Printing. This was unanimously accepted by all members and initial 40 indicated their desire to attend.

THE CURRENCY CLUB OF CHESTER COUNTY (Contd.)

Show and Tell - Autographed notes were shown by Harold Beecher (Peter Falk - Columbo) and several recent specimens bearing Neff and Simons autographs with their best wishes to the Club. Al. Burke then showed five consecutively numbered large \$1.00 silver certificates as well as an exhibit of the large \$1.00 Red Seal and a "Change over Pair".

The fifty-fifty was won by Mitch Hrynshen in the amount of \$10.50.

The Treasurer requested permission to pay the annual dues to the ANA and PMCM. This was immediately approved and authorized.

The Auction Committee suggested a change in the Commission to read 5% to \$20.00 for each lot making the maximum Commission on each lot to be \$1.00.

Joe Lynch made a plea for New Jersey Nationals from Elizabeth, Freehold, Brunswick, Mays Landing and Bridgeton (large size).

The speaker for the evening was Ray Jones who gave a most complete story of Military Payment Certificates, beginning with their origin at the close of World War II and up to the last series including the most recent series, which has recently been concluded. He showed examples of each of the series and most were amazingly complete. The key notes were thoroughly discussed as well as credit being given to Ed Hoffman for stimulating his early interest in the notes. There followed an interesting discussion including the mention of the latest book on this subject entitled - "World War II Allied Military Currency" (Fourth edition) - Frank Schwan.

The meeting was adjourned at 9:30 p.m. and refreshments served.

Due to the length of the meeting, the auction was dispensed with and instead a most unusual group of Delaware County and Chester County notes were exhibited by N. P. Aspen. This included 21 Chester County Notes with examples of obsolete notes, script, store cards and bank notes. A 30 note collection of similar content from Delaware County was also exhibited. This interesting collection was assembled by Paul S. Seitz of Glen Loch, Pennsylvania.

All members are reminded that the next meeting is on December 26th., the fourth Thursday. In spite of the fact that it is in the middle of the holidays, all members are urged to attend and bring a guest. The speaker for the evening will be Tom Werner, speaking on "Counterfeit Fractionals".

Respectfully submitted,

Joyce Ann Aspen

Delaware - Mitch Hrynshen, Ray Jones,

Steve Taylor, Walter Roish, Terry Bryan

PLEASE CHECK and see if you can help me on any of the listed blocks.  
I save one (1) each block with some sort of fancy number; trying for  
a two digit RADAR (like 10111101, 6336636, 75755757, 80000008,  
09999990, etc). If I can't get this, any fancy number will help. For  
instances repeaters like 01010101, 23232323, 92929292, etc. or mil-

numbers with only two(2) different digits; long strings like 73333333,

I have many duplicate traders for the above and will trade liberally  
for blocks I need or I will buy these I need for cash, if you don't

OLD CHECKS WANTED My home was robbed last July and I lost my collection of OLD CHECKS that were in a locked strong box. If you have a spare old check or two for Trade, please let me know. I was going to give up the whole thing with collecting, but my wife and a few good friends in collecting told me not to, to start over, well I'm going to try it. You don't know what it is like to have some one go thru your home and just take every thing in it apart unless you have had it happen to you and I sure hope that it never does. The thing that hurts the most is to know that they would just take the Collection of Old Checks after they get out of your home with them and just throw them away or burn them. Money that they took they could or would spend, but I'm sure that the Old Checks they just threw away and I'll never be able to replace some of them at all in my life time. You see some of them were given me by people that have passed away some years ago. Now, all I can do is try to start again. There still are a lot of good people in this old world of ours. Would really like to hear from any one with Old Checks from Maine or Mass. Thank you very much for all of your past help.

MINUTES OF PMCM ANNUAL MEETING IN DETROIT HILTON HOTEL

November 16, 1974

The Meeting was called to order by President P.H. (Jim) Frans promptly at 1:00 p.m.

Minutes of the Spring 1974 Convention in Pontiac was read and approved.  
The Treasurer's Report was read and approved as follows.

Cash Balance November 24, 1973 \$ 160.78

Total Revenue November 25, 1973 to  
November 16, 1974 3517.00

\$3677.78

Less Disbursements, above period 3544.34

Current Cash Balance. (No Unpaid Bills) \$ 133.44

While the Annual Dues still remains at \$5.00, the cost of producing the Rag Picker has been steadily increasing since 1970. We are a non-profit organization and the current balance will attest to this fact.

Editor Werve gave a brief report on the progress of the PMCM. There are three definite reasons why Paper Money Collectors discontinue their memberships. 1. Illness. 2. Collecting Interest turn to Coins, Stamps, Rocks and numerous other hobbies. 3. Some feel we place too much emphasis on Federal Reserve Notes. I will agree to some extent, but who today can help the new Paper Money Collectors during their formative years in exciting the field of collecting paper money. Irv. Gittleman deserves a lot of credit for the manner in which he conducts the Federal Reserve Note Exchange. His dedication to this department is the reason why it is so successful.

Editor Werve also stressed the fact that the Rag Picker like all other publications is in continual need of articles for the Rag Picker. All members are invited to submit articles pertaining to Paper Money. Nearly every Paper Money Collector could write an interesting story how he or she became a Rag Picker.

Discussion followed regarding the work load by Editor and the Secretary-Treasurer in getting out the Rag Picker six times each year. Some suggested cutting to four issues, but for 1975 six Rag Pickers will be issued.

Chuck O'Donnell moved for a standing ovation for Ralph and Harriet Werve for their efforts in getting the Rag Picker issued six times each year.

President Frans also appealed for members to submit articles for the Rag Picker.

President Frans called for discussion changes in the Constitution and By-Laws. (Note: The amended Constitution and By-Laws will be printed in its entirety and mailed to all 1975 paid members in a following issue of the Rag Picker).

HERE ARE THE AMENDMENTS TO OUR PRESENT CONSTITUTION AND BY-LAWS.

MINUTES OF PMCM ANNUAL MEETING NOVEMBER 16, 1974 (Contd.)

Dan Parker reported that the Iowa Collectors are really on the go. Excellent exhibits and many collectors attended this last show.

Max Brail reported that every Michigan collector should strive for at least one National Bank Note from their home town.

Bill Anspach has been working on a project for over one year. He gave a verbal description of the process with five sets being distributed to interested members. Bill has taken CU foreign notes, all of one issue and thru a process he described that he has been able to come up with several grading in paper currency. Perhaps we will hear more about this study in the coming year.

## PAID LIFE MEMBERSHIPS.

EVERY COIN COLLECTOR KNOWS WHAT A.N.A. STANDS FOR -----

EVERY PAPER MONEY COLLECTOR SHOULD KNOW WHAT C.P.M.S. STANDS FOR ---

Application in the CANADIAN PAPER MONEY SOCIETY is still open to American Paper Money Collectors.

Add a little zest to your collecting and join an organization that is growing in this interesting field of Paper Money.

The Society publishes a Journal to record particulars of its affairs, publish papers on studies by members and those commissioned and to publish articles on any subjects in which the Society has an interest. The Journal contains a wealth of information about paper money and particularly the Banks, which issue it. Much of what has been published to date is from original unpublished manuscripts.

The Society is developing a comprehensive reference library related to Canadian Money and Banking; also, a color slide library covering valuable articles, such as rare bank notes, other paper money, historical documents, etc.

The Society also furnishes information to members on new developments and is a clearing house for the exchange of information and material between members, including prices realized at public sales of documents, books, notes, etc.

The membership has a broad geographic distribution in Canada, United States and several other countries. On the membership roll will be found archivists, historians, librarians, students and collectors.

To further its educational objectives, the Society gives Certificates of Award, with cash prizes for the best Canadian Paper Money Educational display at the Canadian Numismatic Association's Annual Convention and other major exhibitions. Conventions are usually held in August in some key city in Canada.
